General Information

Purpose This document includes a summary of new features, system enhancements, and courseware updates to the Client Hosted PLATO Web Learning Network (CH-PWLN) organized by build number and release date. The numbers that display in italics are for internal tracking purposes only.

Searching this document You can search this entire document for a specific piece of functionality, system enhancement or courseware update by using Adobe Acrobat's search feature. To do so, follow the steps below.

Step	Action
1	Select the  button on the Acrobat toolbar.
2	Enter the feature or enhancement you want to search for in the Find window.
3	Select Find . Results Acrobat will highlight the first occurrence of the word you entered.
4	Select Find Again to sequentially view all occurrences of the word you entered in the document.

Courseware updates The courseware updates included in this document refer to enhancements made to the management system that affect courseware—not courseware releases. Marketing communicates courseware releases via email.

For more information For complete instructions on how to use Client Hosted PLATO Web Learning Network (CH-PWLN), the new features, system enhancements and courseware updates mentioned in this document refer to the user's guide, online Help or applicable curriculum guide.
